To the Directors of Woolworths Holdings Limited

Introduction

We have completed our assurance engagement to report on the compilation of the Constant Currency Pro forma Financial Information of Woolworths Holdings Limited (**"the Company"**) and its subsidiaries (collectively **"the Group"**), by the directors of the Company (**"the Directors"**).

The Constant Currency Pro forma Financial Information consists of the conversion of property, plant and equipment, investment property and intangible assets, right-of-use assets, investments in joint ventures, inventories, receivables, derivatives, investments and loans, deferred tax and tax assets, cash and cash equivalents, shareholders' funds, borrowings and overdrafts, lease liabilities, deferred tax and tax liabilities, payables, derivatives and provisions, all audited, (collectively **"Audited SOFP items"**) and the audited turnover and concession sales and pro forma adjusted earnings before interest and tax (Adjusted EBIT) (collectively **"SOCl items"**) for the 52 weeks ended 29 June 2025 (collectively the **"Base Information"**) to a constant currency (collectively the **"Constant Currency Pro forma Financial Information"**).

The applicable criteria on the basis of which the Directors have compiled the Constant Currency Pro forma Financial Information are specified in the JSE Limited (**"JSE"**) Listings Requirements, including Guidance Letter: *Presentation of constant currency information dated 16 August 2012* (collectively **"JSE Listings Requirements"**), and described in the Basis of Preparation set out in note 9 of the Summary of the Audited Group Results for the 52 weeks ended 29 June 2025 and Cash Dividend Declaration and in the Supplementary section to the Annual Financial Statements for the 52 weeks ended 29 June 2025 (the **"Financial Information"**).

The Constant Currency Pro forma Financial Information included in the Financial Information has been compiled by the Directors to illustrate the impact of converting the SOCl items to a constant currency using the average Australian dollar exchange rate for the prior period, and to illustrate the impact of converting the Audited SOFP items to a constant currency using the closing Australian dollar exchange rate as at 30 June 2024 (collectively **"Constant Currency Pro forma Adjustments"**).

As part of this process, the Audited SOFP items have been extracted by the Directors from the Annual Financial Statements for the 52 weeks ended 29 June 2025 (**"Audited Financial Information"**). The SOCl items have been extracted from the Pro forma Financial Information presented in the Financial Information on which an unmodified auditor's report was issued on 2 September 2025 (**"Constant Currency Pro forma Financial Information"**).
